

GSA General council meeting, February 11, 2007

I. Approval of Agenda and minutes

Approved on voice vote.

II. New Business

Introduced Scott Selikoff, new webmaster. Email Scott if your group wants web space or email accounts.

A. *Special guest: Jack Molenaar, Director of Transportation Services*

The university has never had a transportation master plan. Department of Transportation Services (DoTS) is developing one now.

Goals: increase use of sustainable modes. Make it easy to get around, make sure 2003 Physical Master Plan is accommodated

Recommendations: Accept fewer spaces per person, maintain ideal occupancy, increase parking permit costs, improve transit reliability and efficiency, reduce transit travel times, improve transit quality, commuter alternative programs.

B. *Recognition of inactive GSOs*

GUSS (Sociology): approved unanimously

C. *Proposals from the floor*

None.

III. Old Business

A. *Recognition of new GSO – Chilean Student Association*

Approved unanimously
